

## TRANSFORM A LIFE. PUT YOUR STATE ON THE MAP.

Help *One By One: America* raise a total of \$300 from citizens in your state.

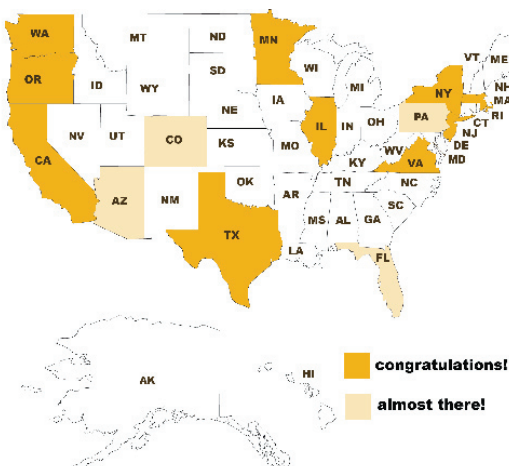

### What is One By One?

One By One contributes to the elimination of obstetric fistula worldwide by engaging the public and supporting those who work to treat and prevent fistula in the developing world. One By One is a Seattle-based nonprofit organization that aims to inspire people, empower solutions and make grants to help end fistula worldwide.

### What is One By One: America?

*One By One: America* challenges each state to raise at least \$300, enough money to cover the cost of care for one woman with fistula. When we meet the challenge, individuals from across America will have raised enough to change the lives of 50 women suffering from fistula — and we hope that will be just the beginning of a nationwide movement!

In order to meet our goal of \$300 from each of 50 states, we still need to reach many states — including yours.

### How can I help?

One By One invites you to join the fight to end fistula by hosting a giving circle. Giving circle hosts contribute \$30 and ask nine friends, family members or colleagues to do the same. With ten people each contributing \$30, the giving circle will raise \$300, the equivalent cost of pre-operative care, fistula surgery and rehabilitation for one woman.
